

# Modern Slavery Statement

Mutual Energy Limited owns and operates strategic gas and electricity transmission assets which link Northern Ireland to Great Britain's electricity and gas markets. Mutual Energy is based entirely in the UK and has no international presence. The group has considered Section 54 of the Modern Slavery Act 2015 "Transparency in Supply Chains" and has concluded that the group is very unlikely to be affected by slavery, as are our suppliers. All staff are made aware of the Modern Slavery Act but, given this low risk profile, no specific training is provided or undertaken by our staff in relation to these matters.

This statement is made pursuant to section 54, Part 6 of the Modern Slavery Act 2015 and constitutes the group's slavery and human trafficking statement for the financial year ending 31 March 2020.

This statement was approved by the Mutual Energy Limited Board of Directors on 3<sup>rd</sup> April 2020 and signed on its behalf by:
