Final Report on Application for Change of Phoenix Code Mod Rules

Introduction

Belfast Gas Transmission Limited (BGTL) has prepared this report in accordance with section 12 of the Phoenix Natural Gas Limited Transmission Network Code Modification Rules.

Belfast Gas Transmission Limited, BGTL purchased the natural gas transmission business and assets of Phoenix Natural Gas, PNGL in 2008. This Application for Change is to reflect the name change from PNGL to BGTL within the Transmission Network Code Modification Rules.

A marked up version of the Phoenix Transmission Network Code Modification Rules is attached.

Third Party Representations Made

There were no Third Party responses received by BGTL during the consultation period;

Likely Implementation Date

BGTL suggest that the proposed implementation date is 16th November 2009.

Conclusion

This Application for Change does not alter the actual code modification rules, but merely updates the name change from PNGL to BGTL throughout the document and as such brings the rules up to date. BGTL supports this Application for Change.
