

Job Title: Energy Transition Analyst

Location: Belfast

Reason for the Role: This is an expansion role.

Purpose of the Role: You will help Mutual Energy's position as a respected thought leader within the energy transition 'space' Driving forward energy policy debate and energy policy initiatives within NI. You will be responsible for helping to develop Mutual Energy policy positions, managing engagement in consultation processes, and representing the company at industry workshops

Key Responsibilities

- Act as a subject matter expert on energy transition policy matters
- Develop robust quantitative analysis to support Mutual Energy policy positions
- Manage engagement in relevant consultation processes
- Work with NI gas network operators and across other industry stakeholders to collaborate and build consensus on energy policy initiatives
- Support the development and implementation of Mutual Energy's energy transition engagement strategy
- Support the development of external communications from the Energy Transition Team
- Resource Management

Essential Criteria:

The successful applicant will be able to clearly demonstrate:

- Ability to analyse, assimilate and objectively assess complex commercial and technical information, reports, and critical analysis and to formulate cogent views and opinions.
- Strong verbal and written communication skills, including the ability to present complex ideas clearly and succinctly to non-technical audiences.
- Ability to assess and critique strength of arguments
- Demonstrates integrity and the ability to work collaboratively as part of a team.
- Evidence of effectively managing multiple work areas simultaneously to deliver high quality work to meet deadlines.

Desirable Criteria:

2 years' experience of working in the electricity or gas sector in Northern Ireland, Ireland, or GB in a comparable role.

Experience of using excel and/or other software packages to analyse large sets of data to identify and understand important trends and dynamics.

Experience of responding to policy consultations, or alternatively working on the development of government or regulatory policy.

Ability to think strategically and to understand and appreciate potential reasons behind the positioning of other stakeholders

Experience of working with people outside their own organisation to deliver upon shared objectives / projects.

Key Competencies: Motivated & Driven / Communication / Analytical Thinking / Team Working / Policy Development / IT Skills / Communication Skills / Collaboration and Networking Skills / Organising & Planning / Personal Effectiveness

Benefits

Office Location: The Arena Building, Ormeau Road, Belfast with on-site carparking.

Remuneration: Competitive Salary

Bonus: A 10% bonus based on company and individual performance will come with this role.

Pension: Contributory pension matched up to 9.5% by the employer.

Private Medical: Private medical insurance

Life assurance: Life assurance is available with this role.

Critical Illness: Critical illness cover is provided with this position.

Hours of Work: The standard hours of work are 9am - 5pm although a higher degree of commitment and flexibility may be required to meet deadlines.

Hybrid Working: The company offers non-contractual hybrid working arrangements, with a minimum of two working days per week within the office, subject to particular work requirements. Staff are expected to be flexible – e.g. if 'face to face' meetings require their presence in the office more frequently.

Annual Leave: 25 days annual leave plus 11 statutory days.

Notice Period: up to 3 months by either side.

Probation Period: 6 months.

Travel: A degree of travel across the UK, Ireland and Europe can be expected with this role.

Closing date for applications via CV is 3rd February 2023.

We will be holding an open evening on 26th of January 2023 in the Europa Hotel, so come along and meet the Mutual Energy team. This can be booked by searching
