

Job Title: Group Asset Engineer

Location: Belfast

Reason for the Role: This is an expansion role.

Background: Mutual Energy is a mutualised company, which owns the Moyle Interconnector, the Scotland-Northern Ireland pipeline, and Gas to the West pipeline, all critical parts of the local energy transmission infrastructure. Due to growth to support the energy transition, we are seeking to appoint a Group Asset Engineer.

Role: The Group Asset Engineer will support the continued implementation and development of the Mutual Energy Asset Management System.

Key Duties:

- Act as corporate owner of the Asset Management System
- Manage all aspects of Mutual Energy's ISO 55001 accreditation
- Identify and ensure best practice in asset management activities including development of appropriate tools, systems, and technology

Essential Criteria:

- A third level qualification or equivalent in engineering or other relevant subject
- Circa. one year's relevant experience system in engineering asset management
- Working knowledge of ISO standards and certification protocols
- A full driving licence and access to a vehicle for business purposes or alternative
- A right to work in the UK

Essential Competencies:

Problem Solving skills/ Communication/ Leadership/ Self-motivational Skills/ Team Working/ Organising and Planning/ Flexibility/ IT Skills (MS Office suite)

Desirable Criteria:

- Previous project management / maintenance management experience
- Ability to implement and deliver change initiatives for Mutual Energy
- Detailed knowledge of GB, NI and ROI energy sector
- Knowledge of ISO standards

- Knowledge of electricity or gas transmission systems and the wider energy industry and legislation
- Affiliation to a professional body e.g., IET

Package:

Location	The Arena Building, Ormeau Road, Belfast.
Remuneration	Salary will be subject to negotiation and dependent on experience
Bonus	A 10% bonus based on company and individual performance will come with this role
Pension	Contributory pension matched up to 9.5% by the employer
Private Medical	Private medical insurance is offered for the individual and family
Life assurance	Life assurance is available with this role
Critical Illness	Critical illness cover is provided with this position
Hours of Work	The standard hours of work are 9am - 5pm although a higher degree of commitment and flexibility may be required to meet deadlines
Hybrid Working	The company offers non-contractual hybrid working arrangements, with a minimum of two working days per week within the office, subject to particular work requirements. Staff are expected to be flexible - e.g., if 'face to face' meetings require their presence in the office more frequently
Annual Leave	25 days annual leave plus 11 statutory days
Notice Period	up to 3 months by either side
Probation Period	6 months
Travel	A degree of travel across the UK, Ireland and Europe can be expected with this role

Applications:

Closing date for applications via CV is 3rd February 2023.

We will be holding an open evening on 26th of January 2023 in the Europa Hotel, so come along and meet the Mutual Energy team. This can be booked by searching "Mutual Energy" on Eventbrite.
