

## **Job Title: Support Engineer**

### **Location: Belfast**

**Reason for the Role:** This is an expansion role.

**Background:** Mutual Energy is a mutualised company, which owns the Moyle Interconnector, the Scotland-Northern Ireland pipeline, and Gas to the West pipeline, all critical parts of the local energy transmission infrastructure. Due to growth to support the energy transition, we are seeking to appoint a Support Engineer.

**Role:** This is a full-time role, initially supporting the Gas Networks & Projects Engineer to **project manage** the replacement and refurbishment of gas transmission assets. The Support Engineer will be developed to attain competency in the Projects role and across the wider asset management and operation of gas transmission pipeline systems.

#### **Key Duties:**

- Project management of replacement/refurbishment of the gas transmission pipeline and offtake sites
- Preparation of annual budgets and reporting on a monthly basis
- Assistance with the development and operation of asset-life replacement processes
- Support the wider operational team if other short term objectives become a priority
- Assistance with management of contracts, and contractors, including budget setting and tracking, and contractor audit, in line with relevant legislation and policy
- 

#### **Essential Criteria:**

- A third level qualification or equivalent in engineering or other relevant subject
- Possess a full driving licence and have access to a vehicle for business purposes or alternatively have access to a form of transport which will permit travel to meet the requirements of this role
- A right to work in the UK
- In the region of one year's relevant work experience (this can include Graduate placement, or other work).

#### **Key Competencies:**

Problem Solving skills/ Communication/ Leadership/ Self-motivational Skills/ Team Working/ Organising and Planning/ Flexibility/ IT Skills (MS Office suite)

**Desirable Criteria:**

- Affiliation to a professional body e.g., IET, IMechE, IGEM, with ambition to achieve chartered status
- Experience of effectively managing others including the ability to motivate people to improve performance and meet the desired objectives
- Knowledge of relevant operational, technical and legal requirements within the energy sector
- Knowledge of current asset management practice e.g.ISO55001
- Computer packages such as Geographical Information System (GIS) and CAD

**Package:****Location**

The Arena Building, Ormeau Road, Belfast.

**Remuneration**

Salary will be subject to negotiation and dependent on experience

<b>Bonus</b>	A 10% bonus based on company and individual performance will come with this role
<b>Pension</b>	Contributory pension matched up to 9.5% by the employer
<b>Private Medical</b>	Private medical insurance is offered for the individual and family
<b>Life assurance</b>	Life assurance is available with this role
<b>Critical Illness</b>	Critical illness cover is provided with this position
<b>Hours of Work</b>	The standard hours of work are 9am - 5pm although a higher degree of commitment and flexibility may be required to meet deadlines
<b>Hybrid Working</b>	The company offers non-contractual hybrid working arrangements, with a minimum of two working days per week within the office, subject to particular work requirements. Staff are expected to be flexible - e.g., if 'face to face' meetings require their presence in the office more frequently
<b>Annual Leave</b>	25 days annual leave plus 11 statutory days
<b>Notice Period</b>	up to 3 months by either side
<b>Probation Period</b>	6 months
<b>Travel</b>	A degree of travel across the UK, Ireland and Europe can be expected with this role

### **Applications:**

Closing date for applications via CV is 3<sup>rd</sup> February 2023.

We will be holding an open evening on 26<sup>th</sup> of January 2023 in the Europa Hotel, so come along and meet the Mutual Energy team. This can be booked by searching "Mutual Energy" on Eventbrite.
